

RESTORING  
THE RIVER.

CREATING A  
NEIGHBORHOOD.

## RIVERWALK SAN DIEGO

# Plan the Riverwalk park. Saturday, October 7, 10am-1pm

Riverwalk Golf Club | 1150 Fashion Valley Road | San Diego, CA 92108

In partnership with the San Diego River Park Foundation, we are hosting a community workshop to plan a potential 70-acre river park. It would be for you and your family and all of San Diego to enjoy. So bring the kids and come share your vision and ideas.

### Who's invited?

Parents, kids, bicyclists, birdwatchers, runners, rollerbladers and dog walkers. Everyone who wants to weigh in on our future park.

### What to expect?

For the kids: activities and lunch.  
For the adults: lunch, brainstorming and input on what you want to see in the park.

### What's Riverwalk?

It's a once-in-a-lifetime chance to create a park, restore river habitat, and establish a vibrant live-work-play neighborhood in San Diego—all accessible by trolley.

### Can't attend?

If you missed our first workshop in July, weigh in via our virtual workshop at: [riverwalksd.com/community-workshop](http://riverwalksd.com/community-workshop). We'll also have a river park virtual workshop up after the event. We will let you know when it is available.

### RSVP:

RSVPs are strongly encouraged to [info@riverwalksd.com](mailto:info@riverwalksd.com). Carpooling or ride sharing is encouraged.

### Questions?
